FABRIDOCE

Who are we?

FABRIDOCE - DOCES REGIONAIS SA is a Portuguese company specialized in Portuguese sweets and ice creams. It was founded in 1989 in Aveiro, one of the gastronomic pillars of the region in the centre of Portugal, known for its Ovos Moles de Aveiro, Raivas de Aveiro, Pão de Ló Conventual and many other conventual sweets dating back to the 16th century.

Certification

All processes are subject to rigorous control to ensure the quality of the raw materials, the consistency and stability of the items and the transaction of the finished products.

FABRIDOCE has been an IFS-certified company since 2011 and PME Excellence since 2012 (a distinction awarded by IPAMEI to companies with superior performance profiles) and is present in the main distribution chains on the Iberian Peninsula, the Portuguese Horeca segment and among Portuguese communities in more than 15 countries.

Conventual Sweets

Innovating while maintaining tradition

Ovos Moles de Aveiro

Sweet Egg Delicacy

The tourist and gastronomic icon of the Aveiro region. Born in the 16th century at the Convent of Jesus in Aveiro, they are made by combining egg yolk with sugar syrup and traditional know-how, following the convent recipe handed down in secret for generations.

Keep in a cool, dry place up to 25°C. Protect from the sun.

Linguas da Sogra

Fine Biscuit Rolls

It is believed that the origin of this thin, crunchy, cone-shaped biscuit dates back to the beginning of Christianity and derives from the divine bread that was distributed to the faithful in churches. In medieval times, it was much appreciated by kings, bourgeois and great lords and was later sold on the streets. Nowadays it is much appreciated at fairs, festivals, pilgrimages and on Portuguese beaches.

Suspiros

Meringue

Is a very light sweet made from meringue in small portions that are baked on a baking tray in a low oven. The first records of this sweet appear at the end of the 19th century. This sweet came about because at the end of the day the 'pastry chef' had egg whites and the heat from the oven left over from other recipes.
